# Class of 2014

Looking back on our four years at Agawam High School, everyone can recall fun and unforgettable memories. Most of us grew up together and we met others along our journey.

The day had come: the first day of high school. The class of 2014 was overwhelmed with the transition from junior high. We were at the bottom of the chain at school, anxious to be closer to the top. We quickly were intimidated by the upperclassmen, not knowing what to expect. We had to learn how to juggle homework, practice after school, and try to handle stress all at the same time. It was also Mrs. Hoffman's first year at the school, too. During the annual Pep Rally, the majority of our class didn't know the school song, also proving how new we were. It was surely embarrassing! We were determined to make a comeback our next year. The year flew by, with the anticipation of sophomore year awaiting us.

Entering high school for the first day of our sophomore year seemed to be a little easier for the Class of 2014 to find their way around the halls, than it did for our freshman year. We saw familiar faces, whether it was teachers or administrators. We felt more comfortable. The first couple months of school our class ordered class rings. It was exciting. We would be graduating in two short years. Our class also had a tragic loss this year: Ashlee Glod. She was a kind and generous girl, who was gone too soon. Rest in Peace Ashlee, you will always be part of the Class of 2014.

Our junior year had finally started! We all had to crack down because this was an important year. Preparing for the SATs, starting our college visits, and getting the best grades that we possibly could to help eliminate some of the stress that was about to come senior year. We had the annual Powder Puff game, which we unfortunately lost to the seniors. We put up a tough battle,

though! There was also the Junior/Senior prom, An Evening in Paradise, which was a night of endless memories. We were all excited to start our senior year and get closer to graduation.

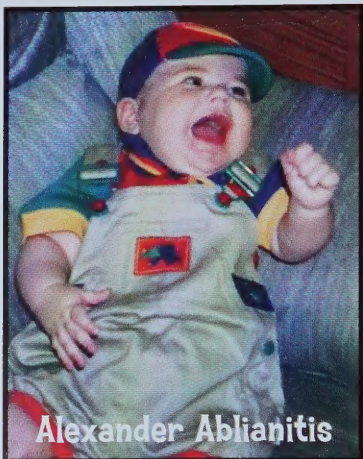

Walking in school on our last first day of high school was so surreal. Walking down the halls, knowing that we were the people that the underclassmen looked up to felt powerful. Every senior class that walks through Agawam High has their own characteristics about them; not one class is the same. The Class of 2014 became unforgettable. At the beginning of the year, we had a change in our President and Vice President. Caitlyn McCarthy and Nicholas Twohig were now the leaders of our class. "Senioritis" set in quickly for many students. It eventually hit everyone towards the end of the year. We overcame it with quickly and efficiently submitting our college applications, and focusing on preparing ourselves for our future plans. The week before Thanksgiving vacation, Agawam High had their first annual Spirit Week, which consisted of Sports Day, Mismatch Day, Twin Day, 80's Day, and finally Camouflage Day. Much of the school participated, which made it a memorable moment for the senior class. At Kid Party, many came with a variety of unique and hilarious costumes. During the Pep Rally, the seniors were determined to win the rally. Hands down, the seniors took the victory! Throughout the school, everybody showed their school pride. On May 2, we had our senior prom, with the theme of The Great Gatsby. It was a night that our class would never forget. On June 8, we officially were done with high school, and it was the start of our lives as adults. There was so much anticipation, and when it came, we were all overwhelmed with mixed emotions. Some cried; some cheered. Some of the best times of our lives, happened during our four years at Agawam High School.

Do great things Class of 2014!

As we complete the final chapter of our high school story, we will be leaving with many memories from discovering freshman year that there were no elevator passes or a pool on the roof to walking across the stage to receive our diplomas. Even though this chapter is closing, another begins of our new adventures as we go off to college, work, or the military. Now we get to write the rest of the story our way.

A special thank you to Mrs. Johnson and Mr. Rood for being amazing class advisors. There is no way the Class of 2014 could have ever accomplished as much without your support and leadership throughout our four years at Agawam High School. # Remembering Ashlee Glod

IN LOVING MEMORY

*Ashlee Mary Glod*

On November 13, 2011, a beautiful girl left us way to quickly; Ashlee Mary Glod. Even if you did not know her well or never heard of her, the announcement made on November 14, 2011, recognizing her death had a great impact on Agawam High School. Ashlee would have graduated with this year's senior class; instead she'll be watching every single one of us from heaven. Whether you knew her from her loud voice that echoed throughout the halls, or just from the loving friendship you guys shared together, Ashlee made an impact on everyone's lives. Her personality was bold, crazy, loving, and spunky. She loved soccer, rollerblading, and especially hanging out with friends and family. The one thing about Ashlee was she always spoke her mind, which sometimes got her in trouble. She was a daughter, a sister, a cousin, a granddaughter, a niece, and a friend. She would have done anything for anyone, especially her closest friends. Ashlee Mary Glod could brighten up anyone's day. She was beautiful inside and out. She is missed and loved by many; gone but never forgotten. Rest in peace angel.

This or That

It only gets better . . .

Before one can write the senior chapter of their story, a high school student must undergo the trials and tribulations of an underclassmen. From freshmen who have a hard time finding their way around to sophomores who stress over passing MCAS, these early chapters are filled with confusion and learning experiences. The juniors' chapter, however, is about preparing to take on the leadership roles of the high school. No matter what chapter, all the underclassmen have formed lasting friendships and share many memories that make their story unforgettable.

"The only thing that matters is, first, the experience of being in the story, moving through it. Then any interpretation you like. If it's yours, then that's the right one, because what's in a book is not what an author thought he put into it, it's what the reader gets out of it." ~ Lord of the Flies

The editors of our story . . .  
Ever reliable and always iconic, our  
Faculty is there to guide us to our next  
chapter. They are the people in our  
lives that prove to us anything is  
possible if we set our minds to it. They  
want everyone to succeed and without  
them our stories would be incomplete.  
Every time someone thinks of a hero, a  
teacher is seldom thought of, but in our  
story we can find one among the many  
staff members who guide us with  
support and encouragement every day.

### Retiring English Teacher Mrs. Colleen Moren

Mrs. Moren has been teaching English at Agawam High School for the past thirteen years out of her twenty-six years in education. In addition to teaching English, she has been the advisor of the Unicorn, the school's literary magazine. Mrs. Moren would like to leave the following message to the students of AHS ~"Try to treat your school work very seriously so that you will be well prepared for the future."

During her time at Agawam High School, Mrs. Moren has seen great changes in the classroom due to technology. She finds that information is so easily available now than even ten years ago. She said, "When I started teaching in Agawam very few students had iPods, there were no iPads, and there were no computers in classrooms except for in the business department. These were big changes over a relatively short time." Mrs. Moren has many favorite memories from her teaching years and most of them have to do with the accidental, funny things that happen in the classroom.

After retirement, Mrs. Moren plans to substitute teach and eventually take a trip to Tokyo, Japan, to visit her son. She also hopes to travel and visit many sites in the United States.

### Retiring Foreign Language Teacher Mrs. Mary Ellen Bruce

Having taught Spanish and French, Mrs. Bruce is an iconic faculty member at the Agawam High School. She began teaching in 1981 and has been teaching ever since. This is her thirty-second year as a foreign language teacher. To keep her students motivated and positive, Señora Bruce loved to say "olé" which means bravo!

While at the high school, Mrs. Bruce has seen and participated in many fun activities. She has spent many Halloweens with the foreign language department dressing up as almost anything from chefs, other teachers, to her favorite, the mime. On that day, none of the language teachers spoke. She said, "It was hard to do, but at the same time it was tons of fun." She has also participated in many of the student activities such as volleyball games, basketball games, and her favorite, the Wacky Olympics.

Now that she is happily retiring, Mrs. Bruce plans to tour the world while visiting as many Spanish-speaking countries as possible, relaxing, and spending time with her grandchildren.

It only happens once . . .

The most exciting part of our story is the special events we attend. These are the times we create many of our high school memories. This year's events included prom, plays, kid party, art festivals, pep rally, and the powder puff game. The newest event to our story is spirit week with mismatch, sport, camouflage, 80's, and twin days. The final memorable event for the seniors' chapter is graduation, which starts them on their new adventure.

# Special Events

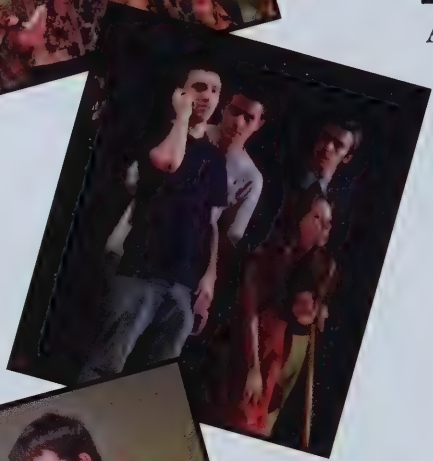

# The Bold, the Young, and the Murdered

Above: Alison Bessette plays the crazy doctor who was first accused of being the murderer.

Mrs. Vallon-Jackson's play production class put on their version of the play *The Bold, the Young, and the Murdered* for their spring performance. This two-night show was one of horror, deceitfulness, and murder. The play was about a soap opera cast, *The Bold and the Young*, who has to make a decision. The soap opera is given an ultimatum to complete the show by a specific deadline. If it does not get completed then the show will be over forever. As if it were not already a daunting task, the cast members are starting to die off. As the cast tries to figure out who the mysterious killer is, the biggest question is; will the show go on?

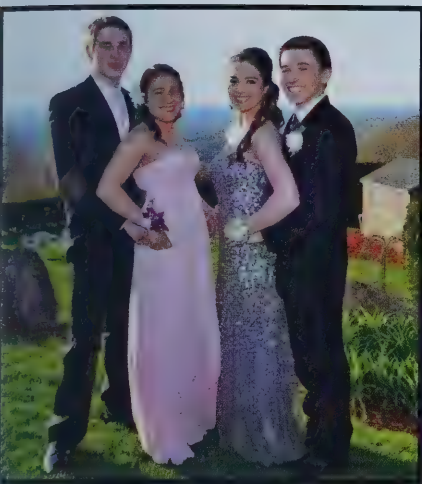

Right: Kaylee Andrews-Goodrow shows off her ability to play dead as she lays motionless on the stage.

# An Evening In Paradise

The prom is one of the most anticipated events of the year. It is a night of having fun with friends, eating great food, and dancing all night long. The theme in 2013, An Evening in Paradise, took us on a mini-getaway. The prom took place on April 26, 2013 at The Log Cabin, which was decorated with a volcano, fire pits, and surfboards adding to the tropical setting. We were served tropical drinks from the Tiki Bar and our meal of choice; steak, chicken parmesan, lemon-seasoned fish, or vegetarian turnover. It was an under-the-sea energy of blues, purples, and silver once we got to the dance floor. We received hurricane glasses as a keepsake and the night was filled with wonderful memories that will last a lifetime.

# Fall Play

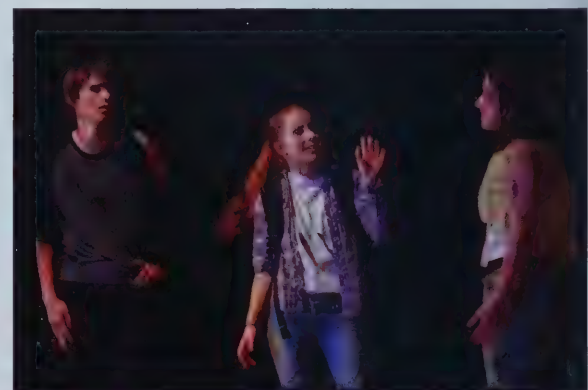

**Above:** Alexander Kiddy jumps into character playing a jazz inspired babysitter.

**Above:** While playing Hansel, Nolan Sheridan uses "fairy dust" to help him fly.

Every fall the Agawam High School puts on a drama performance based on Halloween and the horrors associated with it. This year's production included a twist on the Brothers Grimm's classic fairy tales Rapunzel and Hansel and Gretel, followed by the thrilling 10 Ways to Survive the Zombie Apocalypse by Don Zolidis. Ready as ever, the performers stepped on to the stage at 7 p.m. the evening of October 30. After undergoing weeks of hard, long rehearsals, the cast knew all their hard work had paid off. The play was a success, the horror for the night was over; and with a standing ovation, the performers took a bow.

# School Spirit Week

**Above:** Parker Guindon-D'Amours and Kurt Szatrowski dressed up for Twin Day. They were considered as one of the most creative set of twins.

**Above:** Ms. Pasternak and Mrs. Sarnelli enjoy wearing their 80's outfits.

This year Agawam High School had their first annual Spirit Week. The majority of the school participated in each day's category, which were Sports Day, Camouflage Day, Mismatch Day, Twin Day, and 80's Day. During this week the school also raised money to purchase wreaths to be placed on the stones at the Veterans' cemetery. Everyone had a lot of fun with many laughs during the week. The students and staff wore many unique and outstanding outfits, all which showed how much time and effort were put in to making them. Hopefully Spirit Week will become a tradition at Agawam High School in the years to come.

**Left:** Rebecca McKiernan, Marisa Ewing, Kerry DeForge, Jordyn Conway, Caitlin McCarthy, Aidan Pender, Tristan Cote, Tara Graham, and Emily Jefferson boldly show how they participate in Mismatch Day.

# Orange and Brown Day

**Left:** The Senior Class of 2014 enjoy their last year of pep rally; cheering louder than ever while showing their immense school spirit.

**Right:** Junior Class of 2015 cheer loud at the pep rally hoping to beat the seniors.

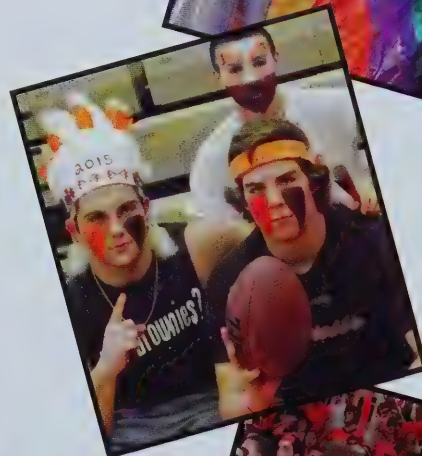

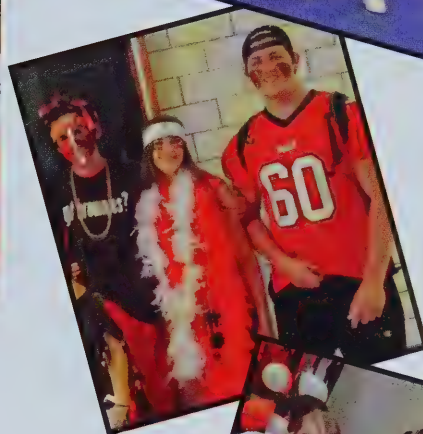

The pep rally, also known as Orange and Brown day, is held the day before the Thanksgiving Day Game. The school comes together in the gym to sing the school song "Joyous and Ever Loyal." Students show their school spirit by wearing orange and brown. At the rally the school spirit was awesome; the gym was covered in banners, streamers, and posters made by each class. The band, color guard, and cheerleaders performed before the big sing off. Each class sang their loudest and left with ringing ears and vanishing voices.

**Left:** The Sophomore Class of 2016 on their second year at the pep rally; showing more school spirit than last year.

**Right:** Freshman Class of 2017 enjoy their first time at pep rally; three more years to go!

# Thanksgiving Day Game

Agawam Brownies played their rivalry team the Westside Terriors for the annual Thanksgiving Day Game. The Brownies took charge of the field early on in the game. They pushed forward with many running plays. The Brownies played with great effort through the entire game. It was a close game, between winning and losing but the Brownies showed Westside how it is done. The football team's hard work, effort, and dedication to the team paid off during this exciting game. Agawam won 19 to 18 against the Westside Terriors. What an excellent way to end an amazing season!

Peer-to-Peer Tutoring allows any student who may be struggling in any subject to work with a student tutor. The tutors volunteer their time every Tuesday and Thursday after school to help other students on anything from homework and projects to studying for tests. Our trusted tutors excel in certain subjects and are devoted to helping their classmates. Participation in this club also looks great on college and job applications because it shows that the tutors have dedication and experience in working hard and helping others. In return for seeking help, the students who stay after to get help earn a bonus coupon. These coupons are usually worth up to five points on a test or quiz at teachers' discretion. Together both the knowledge gained and the coupon can greatly affect a student's grade and performance in a class.

The Sachem staff works hard all year long to provide Agawam High with the best yearbook we possibly can. Publication Production is a full-year course that can be taken during your junior or senior year. This class is fun, fast-paced, and a great way to make the school year fun and rewarding. This year the staff consisted of hardworking, dedicated seniors who stepped up to produce a yearbook that would represent the year of 2014. The group's main concern is providing the best pictures with many memorable moments. Developing pages, writing summaries and captions, and arranging photos comes naturally to this group of hard working individuals who wanted to produce the best book you will ever read. The staff chose the theme of a story book, but not just any story book, it's our story. This yearbook portrays our time throughout high school, and when you close the book, you see the seniors throwing up their caps to represent their time being over at Agawam High School, but a new story is just about to begin.

*Yearbook Staff*

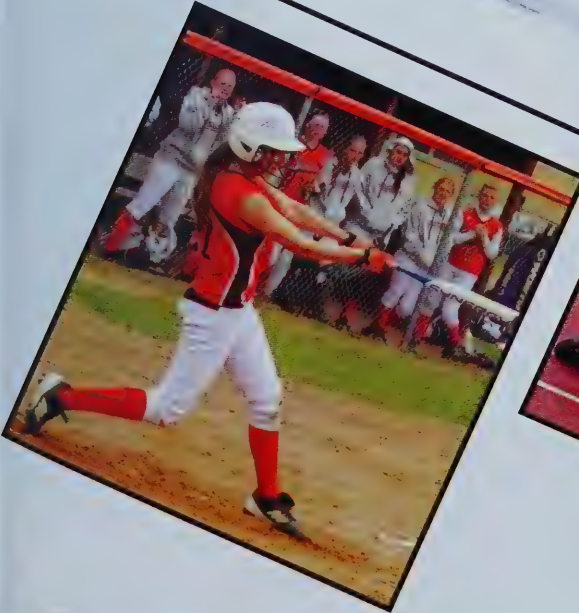

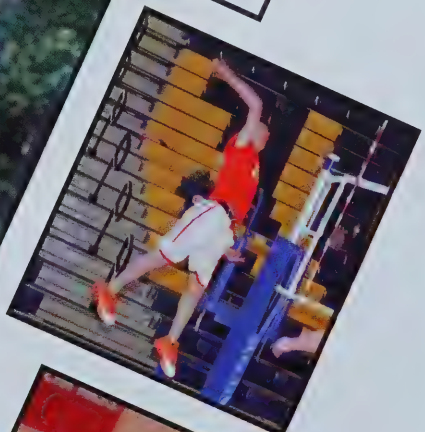

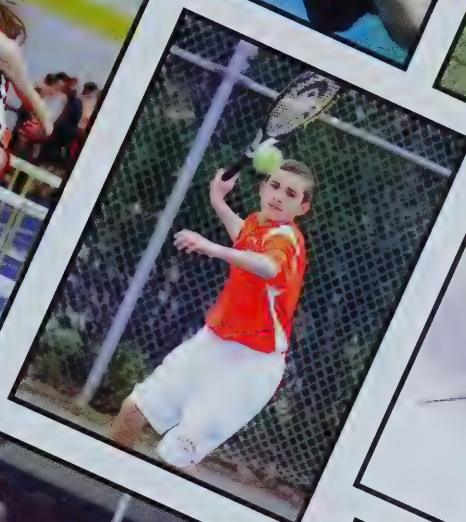

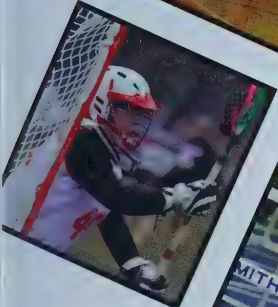

It's how you play the game . . .  
Sports are a vital part of many of the  
students' stories here at Agawam High.  
Playing sports is a good way to improve  
your social life, help build character, and  
enhance leadership and teamwork skills.

The athletes become the heroes of our  
story. Even if you are not interested in  
playing sports, attending the games has  
always been a favorite of all students.

For athletes and non-athletes alike,  
sports will add some fun and excitement  
to the high school chapters of our stories.

The boy's lacrosse team did great this season. Although there were not many seniors, the boys picked up their game and had a denominating team. They lost only six games against the hardest teams in the league. This year was a rebuilding year, and the underclassmen stepped it up with a 14-8 season. The Brownies tamed the Terriors for the first time in many years. Their motivation and hard work led them into playoffs. The Brownies beat Chicopee in the first round of Western Mass but lost to Longmeadow in the quarter finals. They are looking forward to a great season next year.

The boys' varsity tennis is a well-connected team. They all have put in time and dedication to ensure that they all play to their potential. Each match is a new challenge which the team felt makes each individual player work harder to better themselves. Captains Nicholas Twohig and Matthew Davenport, with the help of their Coach Kelly Hellstein, encouraged their team to do the best they can on the courts. The team has come together to make themselves better as a whole and to win more matches against tough competitors. When asked what was your most memorable moment, Charles Joyal replied, "Beating South Hadley to keep our chances of winning the division alive."

Seniors who scored multiple points at meets included Ashley Monahan, Mckenzie Stuetzel, and Rachel Mazza. The versatile 4x4 and 4x8 teams consisting of Ashely Monahan, Lindsey Wassung, Caitlin McCarthy, and Elyse Cote qualified for Western Mass. The girls worked hard throughout the season and made many lasting friendships and memories. Captains Joshua Jacques, Nathan Nazarenko, and Zachary Goggin, with the help of their coaches Patricia Demers and Eddie Jodoin, made sure at each and every practice that everyone was giving their all. When asked what was your favorite part about this team, Benjamin Cassidy replied, "The chemistry we have and how much fun we had while working hard." The boys' cross country team had an excellent season. This year was a rebuilding year, but the team worked hard to come together to fill the big sneakers that were left behind. Led by their captains Charles Joyal and Patrick Rieker, and from their hard work and dedication, the team made it to the Western Mass Tournament. "This year was good for the internal growth of the team. Everyone improved dramatically, and we learned how to strategically improve and work together during races." said Robert Johnston. Their strive to be the best really showed in their races. The team finished the season with a record of 5-2.

Above: Coach Thomas Smith gives the team some pointers during his pep talk at half time.

The boy's soccer team lost about half of their varsity team, so they were looking at a season of rebuilding. Brodie Keene said, "Our season was not what we expected in the end, but one thing that was good was our effort. I could not have asked for a better season with a better group of guys. From the coach to each and every player was great!" The boys worked hard throughout the season during practices and in games. No matter how the season turned out in the end, every player put all of their hearts into each game. The boys truly had a great season even though the end results did not turn out like they hoped. When captain Brennen Liebel was asked how the team did, he replied, "The team did well; we came together toward the end and became a family." The varsity team will be losing seven seniors to graduation this year, and they will be missed next season!

The boys' basketball team had a great season this year with Senior Captains Tyler Desrosiers, Stephen Comee, and Thomas Lockwood leading the team. The team started out with an awesome win verse Commerce winning 71 to 51. The boys wanted to start off the season with a winning attitude and an attitude where no one could stop them. They all worked extremely hard during every practice and even harder in their games. When Senior Captain Tyler Desrosiers was asked what he likes most about this sport, he said, "It's always been something for me to do and just have fun while playing. Over the years I've never gotten tired of the sport." Desrosiers had a great game verses Ludlow with 15 rebounds and scoring 30 points. Also this year, everyone is so proud of Stephen Comee for reaching his 100 points.

The boys' indoor track season ran a speedy start with new members and a fresh beginning as they prepared for their first meet. Their season ended with 4 wins and 6 losses but that didn't stop them from trying to improve and reach their goals. The one thing that kept them going was enjoying the competition, and of course, competing at Western Mass and States. Dalton Drummond said, "The team competes well together no matter what; they give one hundred percent all the time." The season flew by but the bonds made between teammates stays strong and will continue after the season ends. Tristan Cote, Justin Stanikmas, and Nathan Riley competed in Western Mass for individual events and in the 4x4 relay. The team ended up in 9th place at the tournament. Their season ended strong with the hope that next year's team will be just as competitive.

The boys' swim and dive team had a good season this year. They started off with a thrilling meet against Northampton and came out on top winning 116-61. The members encouraged each other to swim as fast as they could to not only win their meets but to try to qualify for Western Mass. Every win was a total team effort. None of it would have been possible if everyone did not give it their all each and every day. Although the team had a few tough meets, they pulled it together to end on a strong note. Scott Laviano Jr., Jared Lubarsky, Dominic Kosior, Adam Ardolino, and Gregory McLaughlin competed in the Western Mass tournament. When asked what his favorite part of the team was, Senior Captain Scott Laviano answered, "My favorite part about my team is the way that everyone supports each other no matter if it's their 1st time racing or their 50th. The boys had a successful season and hope to continue their success in future seasons.

The girls' swim and dive team dove into a wet season with laughs and hard work along with their Captains Alison Schwarz and Mackenzie Gendron leading the way to make the season last with lots of memories and better swim times along the way! When asked about how the season went, Mackenzie Gendron said, "We have improved tremendously and everyone became stronger and faster in their events." As the season swam on, their determination to finish strong and hopefully compete in Western Mass was incredible. Monique Groux placed 10th for diving and Meagan Dustin placed 2nd in her individual swimming event. The season ended with 4 wins and 8 losses. Although the girls had a rough season, their spirit and drive was strong, and they all plan to have a more successful season next year.

The wrestling season was certainly not a disappointment. The boys had a 21-6-1 season and competed in many tournaments. The season started off with all the boys getting into shape to prepare for their upcoming matches. They had their first win against Mansfield winning 58 to 9. After that tournament, the team went on a winning streak for six straight tournaments against Holliston, Mt. Greylock, Franklin Tech, Westfield, Quabbin, and Gateway. During one of their tournaments, Senior Captain Brennen Liebel received his 100th win of his high school career. When asked what was your favorite part about the team, Brennen Liebel replied, "I loved how close my team and I were and how much fun we had together."

I, **Ian White**, leave a roll of duct tape to Mr. Consolini.

I, **Nathan Whitehead**, leave my parking spot and spot on the Agawam lifting team to Brandon; GET BIG.

I, **Lia Wood**, leave my flag and rifle to the guard. Make the most of the future marching seasons. I also leave three more years to Juste. Good luck in high school!

I, **William Wysocki**, leave Allie three more years as a varsity player!

# Senior Salutes

This is where our story started.  
In the blink of an eye, children  
become teenagers, and teenagers  
become responsible young adults.  
Parents help shape their children  
into whom they will become.

Throughout the years, their  
children have developed their own  
personalities and individual styles.  
Parents will always love their  
children for whom they are and  
what they have accomplished.

# Thank you . . .

A huge thank you goes out to all the staff, family, and friends that helped us make this yearbook a success. Creating The Sachem is a fun and exciting project, yet it is still extensive and time-consuming. We work as a whole school, community, and a team to make this yearbook a meaningful memory for everyone and their families. Without all the help and support we've received from the staff, faculty, and students at AHS, the yearbook would not be possible. However, there are some individuals that have been such a big help in making this book possible, and they deserve a great amount of thanks. We, the Sachem Staff, are very grateful and thankful for them.

Mr. Trahan, we'd like to give you a big thanks for your help and support during this project. We could not have made the "14" class photo without your help! It was quite the production, but you made it fun and did an amazing job for our yearbook.

Mrs. Debbie Cohen, our Lifetouch Publishing Representative, has been a major help throughout this entire process. She showed us how to work the website so we can show our skills, and she helped us color coordinate the sections and made our yearbook come to life. Her clever ideas made the yearbook the best it could be.

Correct information is always needed to produce a good yearbook, and the Agawam High School staff has always been more than helpful. Mrs. Ledger provided us with accurate lists of students and their graduation years, as well as pictures we needed for some of the more tricky pages. Mrs. Barrows, Mrs. Roberts, and Mrs. Couture helped us daily to track down students for photographs and interviews and also answered many phone calls and took deliveries from parents and staff. Their constant help made this yearbook a huge success and helped us gather all the information we needed throughout the process.

A big thank you goes out to our Advisor, Mrs. Weyant. Without your extreme amount of help and support we would have been a mess! She made sure day and night that our work was organized, accurate, and on time. She has given us so much of her time to ensure this yearbook is a success. She gave us many great ideas and helped us come up with this amazing yearbook we present to you. Once again, we give you all the thanks we can find for all your help.

We, as the members of the Sachem Staff, leave you with this last message. We hope you love the yearbook just as much as we do. We are so proud to show off our memories at AHS and give you something that you can cherish forever.
